## What is the RAB?

The **Sacramento Resident Advisory Board** (RAB or SacRAB) is a federally mandated organization formed to work with the Sacramento Housing and Redevelopment Agency (SHRA). The RAB represents and is a liaison between the public housing residents and the SHRA. Our goal is to ensure the ongoing participation in the planning and implementation of programs affecting residents. We serve as an advisory board to the Sacramento Housing and Redevelopment Commission, SHRA, and the Housing Authority of the City and County of Sacramento in all areas of housing operations, including but not limited to occupancy, general management, maintenance, security, resident training, resident employment, social services, modernization priorities, the Annual Plan (ACOP, Admin Plan, Capital fund) and public policy.

## Who makes up SacRAB?

We are a group of residents who have been elected by our peers to represent them before SHRA. The executive committee members are current and past members of the resident committees from their respective communities.

## Do you want to get involved in making decisions regarding your housing in SHRA?

Get involved with the RAB. Meet the people who represent you before SHRA and the housing commission of Sacramento. Bring your ideas and suggestions.

## What does SacRAB do?

In addition to the things listed above, we support the resident committees for all SHRA communities. SacRAB publishes this newsletter in print, online, and via email (sign up for the email version at <http://eepurl.com/cUbwIH>). We provide a few computer labs for continuing education and a media lab at the Comstock where we can produce training videos—watch for these soon on our website. SacRAB teams up with other non-profits and agencies to bring information and services to SHRA tenants, see the article on page 1 & 3 about the Connect Card. Also, note the article above on scholarships. The end of the page prevents the continuation of this list; but, we could go on ...

### Load Transit Fare

The Connect Card system utilizes all existing passes, transfers, and transit fares from participating transit agencies. Load your regular pass (e.g. RT Monthly Pass). Load Cash Value (in place of tickets or needing to carry exact change). Cash Value is accepted by all participating agencies and can be used to pay for a single ride, a daily pass, and for an additional rider.

See <https://www.connecttransitcard.com/Pages/HowItWorks> for more information on how the card works.

SacRAB had the opportunity to team up with **Ridership For The Masses**, **Regional Transit**, and **Meals On Wheels by ACC** to hold several events to promote the Connect Card. In just four days there were 150 cards issued at our events. We plan to have additional events at **Marina Vista** on October 9, **Alder Grove** on October 11, **Capitol Terrace** on October 12 and **Edge Water** on October 13.

If you would like an event at your community in November, send an email to [rt@sacrab.com](mailto:rt@sacrab.com) and we'll have someone contact you. All we ask is that you have 20 interested people.
